# INVITATION

# Schionning MARINE

**The famous Schionning Marine Multihull MUSTER is on again. Calling all Multihull owners and enthusiasts to come and share a wonderful weekend of information, social racing and fun with the Schionning Marine Team.**

Held over the weekend of the 17th, 18th, & 19th of November on the beautiful waters of **Port Stephens** at **Tanilba Bay Sailing Club** this event provides something for everyone.

The annual Friday 'show' day is shaping up to bigger and better than ever. This year as well as the usual flotilla of **Schionning** boats to view on the Albatross Marina, major supplier reps and **Schionning Marine** staff will be available to chat products. There will also be a 'hands on' Boat building display, where Brett Schionning will go through some composite building techniques as well as give you the opportunity to get down and dirty and experience some of these building techniques first hand. A quiet sail from the marina to the club and afternoon drinks and nibbles to wind down on the foreshore of the sailing club puts the day to bed.

Two 'around the cans' races on the Saturday are followed by an evening of fine food, drinks, fun and dancing. With live music and plenty of other multihull owners and enthusiasts to chat to, you are sure not to get much sleep!!

Sunday sees the passage race giving you to the opportunity to check out some of the bay as it whizzes by.

Anchoring is available either in **Tanilba Bay** or **Mallabula Point** depending on wind conditions. A dinghy service will be available to pick up and deliver crew to and from shore.

Let us know if you are interested in coming and need help with delivery or crew to get your boat here. We'll do our best to help and have some moorings available so try to get here early.

The **Tanilba Bay Sailing Club** offers camping on site for the weekend. If you didn't see the stories or photos of last years event, this is a beautiful venue, a grassy clearing among big trees and right on the water with launching facilities for trailable Multihulls. The club is open all weekend offering refreshments and light meals. Lemon Tree Passage offers different options of accommodation including B&B and a Motel, most services are handy to the club such as supermarket, chemist, newsagent etc.

Our nearest airport is Newcastle (Williamtown) airport located 20 minutes away from the Muster site. Rental cars are available from the airport if needed. Sponsorship of this event is well looked after, so there are many worthwhile prizes to share amongst everyone.

## **IF YOU ARE THINKING OF BUILDING A BOAT OR JUST WANT TO KNOW MORE THIS IS FOR YOU!**

# ACCOMMODATION

## November 17th, 18th & 19th
